Schema di montaggio per pannelli decorativi  
Assembly instructions for decorative panels

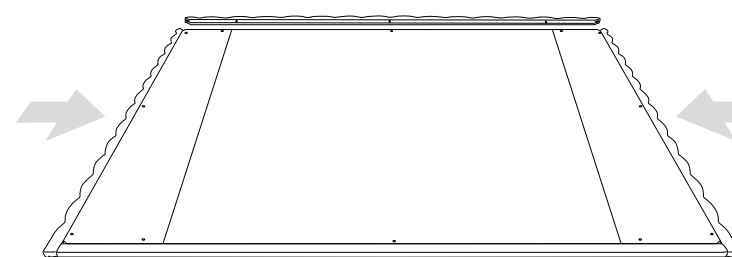

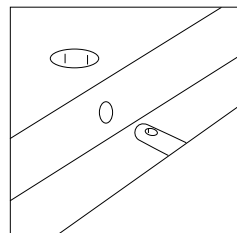

N.B. Il montaggio dei pannelli deve avvenire a terra, i pannelli e le cornici devono essere appoggiati con la parte decorata rivolta a terra su una superficie pulita e protetta.  
N.B. The panels must be assembled flat on the floor, with the decorative part of the panels and frames face down, on a clean, secure surface.

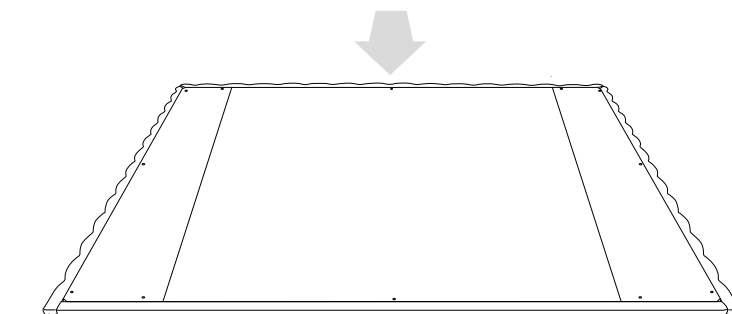

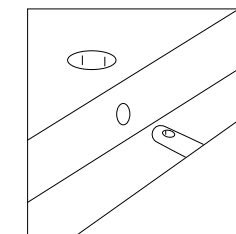

**1** Accostare i pannelli laterali al pannello centrale inserendo l'incastro  
Place the side panels next to the central panel and slot into position

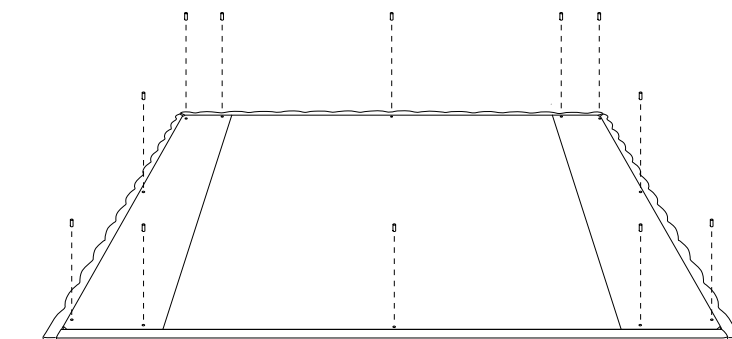

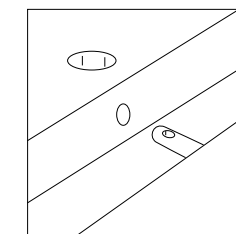

**2** Accostare la cornice inferiore inserendo i perni nei rispettivi fori  
Place the lower frame in position and insert the pivot in the holes provided

**3** Accostare le cornici laterali inserendo i perni nei rispettivi fori.  
Place the side frames in position and insert the pivot in the holes provided

**4** Inserire per ultima la cornice superiore  
Insert the upper frame last

**5** Fissare tutte le viti nelle apposite bussole.  
Insert the screws in the threaded bushes provided and tighten.
